

IR Sensor Switch

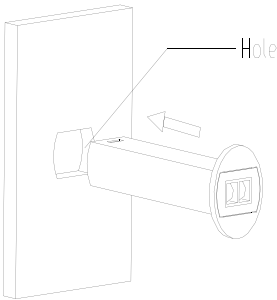

IR001H • IR Sensor for LED Light

Product highlights

- Selectable mode: Door sensor or IR Wave sensor
- Angle of Detection: 100 degree
- Detection distance: 0-8cm
- endcap removeable: Recess or Surface Mount optional

Surface Mount

Recess Mount

Specifications

Wireless communication	Infrared
Working Voltage(Vdc)	12/24
Rated Current(A):	2
IP class	IP20
Cutout hole diameter	17.5mm
Diameter (mm)	17
Length (mm)	53
Color / Finish	Black / White

Safety

Safety Class	Class III (SELV)
CE	yes
UKCA	yes
Rohs	yes
